*Remember! Do not let lack of equipment give you an excuse to not give live streaming a go! Your crew needs you! You can get your party started with just a good internet connection and your phone with a built in phone mic.*

Here is a good list of all the stuff I use to get a livestream happening:

#### Direct to Facebook or Instagram:

Roland GO:MIXER PRO

Sure Beta 58 Microphone

D'Addario Microphone & Instrument Cable

Mic Stand

The old pick holder

The Maton Performer Guitar (most of the time)

Stool

Tripod

Iphone 11 (Camera)

Ipad w/ On Song App

Ipad holder

Ring light 18"

Extension leads/power board

Reminder post-its with question of the week and quote of the week!

#### Multi-Stream platforms (Twitch, YouTube, Facebook)

Program: StreamLabs

Allen and Heath Zed 10 FX (USB the interface to computer)

Camera: Iphone 11

WebCam app: EpocCam Pro

#### Guitar Vocal Pedals:

TC Helicon Play acoustic

Boss Acoustic PreAmp AD2

#### Here are some podcasts that helped me:
